#### **◆ART FAIR ASIA FUKUOKA 2025 to Be Held in Fukuoka – A City of Cultural Hub Connects Japan and Asia**

ART FAIR ASIA FUKUOKA 2025 will be held over three days from Friday, September 26 to Sunday, September 28, at MARINE MESSE FUKUOKA Hall B, a venue spanning an impressive 5,000 square meters. With “Asia” as its core concept, the fair continues to serve as a dynamic platform connecting the Japanese and broader Asian art scenes.

Last year’s edition welcomed over 10,000 visitors across four days, with total sales reaching 280 million yen. Featuring 98 galleries and organizations from Japan and overseas, it fostered unprecedented levels of cultural and commercial exchange in the city of Fukuoka.

Marking its 10th edition, this year’s fair launches two new sections—Moment and Infinity—and hosts the inaugural open call exhibition, AFAF AWARD powered by E.SUN BANK. These initiatives aim to showcase a broad spectrum of artistic expression while nurturing emerging talents who will shape the future of art.

Rooted in the region’s signature hospitality, ART FAIR ASIA FUKUOKA 2025 offers a unique experience that expands the boundaries of possibility. We sincerely look forward to welcoming you to this milestone edition of the fair.

## ◆ Venue Layout and Exhibition Booths

At AFAF2025, we will utilize one of the largest exhibition spaces in Japan to create a dynamic environment where the people and culture in Asia intersect. This year, with newly established sections and a wide array of initiatives, AFAF2025 will present over 100 booths on a greater scale than ever before, creating an immersive environment where visitors can engage deeply with art.

In the main section, Galleries, a carefully curated selection of commercial galleries from Japan and abroad will be featured. Additionally, the Collaboration section—developed in partnership with corporations, educational institutions, and other organizations—will offer a platform for diverse perspectives and creativity to harmonize.

Building on last year's introduction of the special booths “Masters” and “First Collection”, AFAF2025 will further expand its scope with two new sections that make full use of the venue space. “Moment” will focus on performance and live art, while “Infinity” will showcase large-scale installations, opening up new possibilities for expression. The curated booth “Leading ASIA” will feature artists who are driving the contemporary art scene across Asia.

As a part of this initiative, we offer a “Taiwan Art Research Support Grant” to assist with overseas research and foster further growth.

### **AFAF AWARD GATEWAY: For Artists Not Affiliated with a Commercial Gallery\***

## ■Representative's Comment

**Kazunobu Abe (Representative Director of ART FAIR ASIA FUKUOKA)**

“ART FAIR ASIA FUKUOKA” began in 2015 in Fukuoka, a city that serves as a gateway to the rest of Asia, and this year marks its 10th anniversary. We are delighted to celebrate this milestone with a new initiative: the open-call exhibition “AFAF AWARD powered by E.SUN BANK.”

With the support from our partner, E.SUN BANK - a Taiwanese financial institution striving to expand its presence globally - we are confident that we can shine a light on a broader and more diverse range of artistic talent than ever before.
